

PARTY IN THE VILLAGE!

**Saturday, October 21, 2023 5:30 Dinner 6:30 Music Hidden Valley Music Seminars
104 West Carmel Valley Rd. Carmel Valley Village 93924**

Dear CVVIC Members, Residents, Businesses & Visitors,

Carmel Valley Village Improvement Committee (CVVIC) Board of Directors would like to invite you to the **10th Annual Party in the Village!** Get ready for great music by **The B-Keepers**, and back by popular demand **Mike Beck & The Bohemian Saints!** Enjoy the **Kiwanis BBQ Dinner** (included), Raffles, Kiwanis No-Host Bar, and dance the night away! **Tickets \$60** at: Kasey's, Carmel Valley Business Center, Running Iron & UPS Mid Valley, or online at: www.cvvic.org

We are very lucky to be in beautiful Carmel Valley Village to live, work, visit and enjoy our rustic little town, which stays that way through the hard work of CVVIC. Proceeds from this event help support these ongoing safety & beautification benefits:

- The **Welcome Garden & Pathway Network** invites all to stroll in a safe, scenic manner. We provide regular **Maintenance & Trash Collection**. We're working with PG&E for the repair of the historic **First Gas Light** in front of the Bernardus Tasting Room, which CVVIC installed long ago to commemorate the arrival of natural gas in the Village. Our financial support continues for the **Monterey County Sheriff Substation** on Ford Rd.
- **Tree Work** was done recently across from Will's Fargo, to improve sight lines on Carmel Valley Road near our pathways & the Christmas Light location. We've developed a **Landscape Plan** for that area which we will soon be implementing.
- Ongoing work with County Public Works, Carmel Valley Road Committee, and Supervisor Mary Adams to provide two more **RRFB Crosswalk Systems** (Rapid Response Flashing Beacons) as a CVVIC donation to the Community. The first will be installed soon on the west side of the **Carmel Valley Rd at Via Contenta** intersection (near the Running Iron). A second installation is planned for the north side of the **Pilot Rd at Del Fino** intersection, at a proposed new crosswalk requested by CVVIC, and being review by the County.

A donation form is attached if you would like to support our efforts. Any donation of beer, wine, or tasting certificates for our raffle would be greatly appreciated! Looking forward to seeing you at Party in the Village!

**With all our thanks,
Your Friends on the CVVIC Board Of Directors**
